

God's Only Plan To Save America

The Final Warning- For Christians Only

October 15, 2010 - Zed Daniels Jr.

Black type—Author, Green Type—Scripture, Red Type—The Lord

I represent everything I am going to write about. I have been the **Fleshly Worldly American Christian (FWAC)**. I am, and have been, the cause of the problems in America. I am writing this to myself. And God is writing it to you and me. This is for anyone and everyone who calls themselves a Christian. If you hear and obey, you can save America.

It is you Christian, that has within your hand, the power to save or destroy this country through the choices you make in your own personal behavior - and your choice to worship your God or yourself. Notice, I did not say our self. When anyone says – our - we all let someone else do it. THIS IS FOR YOU CHRISTIAN – AND YOU ALONE! You are responsible for what is about to be said here and it is you alone who will be responsible for the final outcome of our nation. You can save America!

Blessings or destruction are in your hand – no one else's. Take this very seriously. It is real. It is true. It is from the Lord, for you, at this moment in time. This is what is required of you. The destiny of the United States of America will be determined based on how you respond to what you read right here and apply it to your life right now. And just so there is no confusion - about 90% of all Americans who call themselves Christians are FWAC's. Many don't have the slightest idea what a Christian even is.

Why Is This Message For Christians Only? Because heathens have no power.

Heathens, meaning anyone who denies Christ or is under any religion that does not worship and believe that Christ alone is Lord and Savior. Heathens have no power. They are slaves to self, slaves to sin, slaves to Satan. They can do nothing but live for the benefit of self. Even the "good things" heathens do, like giving to

charity, building a hospital, etc., are simply done to make themselves look good to others, or to buy off God for their right to enter Heaven after death.

Isaiah 64:6

⁶ All of us have become like one who is unclean, and **all our righteous acts are like filthy rags**; we all shrivel up like a leaf, and like the wind our sins sweep us away.

God never accepts our good works, unless it is something HE specifically told us to do. That is obedience and righteousness. All other works that we have dreamed up on our own to win HIS favor are meaningless.

Heathens, (those without Christ) have only worldly interests and power which is limited, sterile, empty and temporary at best. Worldly power goes on all the time, every day and always goes from bad to worse. Destruction is the only outcome that heathen, self and worldly power offer this world and our nation, and is why we are standing at the borders of Hell right now in America.

Christians however, have available to them the full power of God to change their own lives, their families, their neighborhoods, cities, states, nation and world.

A believing, obedient Christian who prays diligently for those around him and sacrifices his life by giving up his own desires, plans and wicked ways to please God, becomes the most powerful force on earth for good, positive, godly change. One such person alone is worth 1,000 heathens. 2 such Christians, praying in agreement are worth 10,000 heathens.

God's eyes range throughout the earth looking for someone, anyone (HE doesn't care if you are Joe the janitor or Wanda the washer woman – in other words, you don't have to be brilliant, beautiful, rich, educated or powerful – just submitted and obedient to HIM) he wants anyone, who is willing to give up self, to seek HIM, to say YES to HIM and get out of the way, so HE can pour HIS power through them! Anyone - **anyone** who is willing to please God rather than themselves God can us mightily to do HIS work. (Are you in a wheelchair or paralyzed? You can be more powerful than the mightiest army in the world.)

Such a completely submitted, obedient Christian will often never even know the monumental part they had to play in the salvation of a person, the healing of a friend or the complete turnaround of our country. For all they knew, they were simply lifting up prayers to God, often prayers that God HIMSELF prompted in their spirit (and God chose them because they belonged to HIM, they were listening and they were available), and, when they prayed, HE heard their prayer because they were that one Christian of obedience and righteousness - and God responded to their prayer by unleashing HIS angels, HIS healing and HIS blessings upon some person in need, some situation or upon the very reclamation of our country.

Countless souls and lives saved, people healed and families, cities, states and nations changed because one – just one – Christian decided to be available to God. The one HE was looking for, to be HIS alone, to be obedient and righteous, so God could unleash HIS power through them and change the world to glorify HIMSELF.

Such a Christian is used mightily of God while the rest of us are busy pleasing ourselves with some activity that shuts out the sweet, loving whispers of the Holy Spirit. We can't even hear HIS call, let alone answer with deep, serious, powerful, answerable prayer. We still live in the world. We still live like the heathen.

It is the rarity of such Christians that is the downfall of our nation and world today.

James 4

¹What is the source of quarrels and conflicts among you? Is not the source your pleasures that wage war in your members?

²You lust and do not have; so you commit murder. You are envious and cannot obtain; so you fight and quarrel. You do not have because you do not ask.

³**You ask and do not receive, because you ask with wrong motives, so that you may spend it on your pleasures.**

⁴You adulteresses, do you not know that friendship with the world is hostility toward **God? Therefore whoever wishes to be a friend of the world makes himself an enemy of God.**

⁵**Or do you think that the Scripture speaks to no purpose: "He jealously desires the Spirit which He has made to dwell in us"?**

Countless Christians go to church, read the Bible, listen to radio and TV preachers and pray, but remain completely powerless. But almost none can sit with HIM alone for more than a few minutes to pray. But when we do pray our prayer is little more than reciting our list of needs and wants.

Remember that prayer is simply communication with God. It should be entered into with humility and worship at least once in a while, but can also be just you talking to HIM throughout the day to get direction for your momentary decisions or to lift up a need you or others might have as you hear of them.

But mostly, prayer should be us discussing our lives HIM, asking what we are to do today, presenting our list of needs and wants (that are in line with HIS will) and then listening to what HE has to say about it. Listening for HIM to tell us what to do. Taking our orders from HIM, then saying, "Yes Lord. I will do it." Then, **the**

most important part – we actually obey and do it. That is faith, that is being a son or daughter of God. That is righteousness. Now God owns you. Now God can release HIS power through you. Now you are an instrument of Christ. Now you can change the world through HIM.

IF – however – you continue to live like the heathen, seeking your own pride and pleasures, not giving up your wicked ways (and each of us knows what they are), compromising everything in your life because you like it, it feels good. If you refuse to develop your relationship with the Lord by spending time, lots of time with HIM, you are not pleasing HIM. You need time spent alone with HIM, not listening to CD's, listening to radio or TV preachers. That doesn't count. You need face to face time to develop your relationship with your Lord.

Yes, Bible reading is critical and is part of it, but face to face time is equally, if not more important, because it allows you to fall in love with your Lord through the work of the Holy Spirit. Talking to HIM, worshiping HIM and listening to HIM to the point where you can finally hear HIS voice leading you in what to do. Once you get there, you have arrived at the place where you are now the person HE can use to release HIS power through. But once you are there, you must be willing to do what HE tells you to do, or HE will stop speaking to you.

If you are not there yet, you are no better than a heathen. You are powerless and are a larger part of the problem in this nation than the actual heathen. **WHY?** Because you have the source of power within you, the Holy Spirit, and you have chosen to lock HIM out of your life so you can continue to pursue your own pleasure.

God has chosen you for this very moment in time, to do HIS will as part of HIS plan, and you have chosen to go AWOL, ditched school, left work without permission, because you wanted to play instead of do the work you have been assigned to save this nation. The enjoy-

ment of your sin is far more important than the welfare of the people and nation around me. I am going to play!!!

You have said NO! – to God. You have taken HIS property – **namely you** – and used it for your own purposes. (You are not your own, you were bought with a price).

Christian – it is not the heathen government that is killing America. **IT IS YOU.** What shall you do about it. Read on to find out...

The countdown to the destruction of America is being caused by **US - ME** - the FWAC. (Fleshly, Worldly, American Christian). Who are we? We are high in self interest and low in self control. We have lost our interest in God, our first love (Jesus Christ). We have fallen in love with self. Our altar of worship has become our own pleasure, riches, fleshly passions and pride instead of HIS pleasure and glory and a close personal relationship with HIM.

We pray and pray and pray for HIS blessings, (meaning all those things we want so we will be comfortable, happy and have no troubles), but we blatantly run from, even spit in HIS face, ignoring all HE requires of us to receive such blessings.

What is pride? The casual disregard of God. Like a person with a job who pays absolutely no attention to the boss's instructions, we do what we want without a thought that God even exists. Sooner or later, the boss has had enough and you get fired.

What is arrogance? It is the blatant, aggressive, even violent conflict against God, because you know that you are equal to, or better than HIM at knowing how you should live.

The endless pursuit of our own fleshly pleasure is sin. HIS pleasure is our job, and we have walked away and slammed the door on our job, so we can spend our time, efforts and resources – our minds, thoughts and cravings –

our imaginations, entertainments and dreams, to focus completely on pleasing ourselves.

Feelings, pride and position are all that we care about. The higher our position from which to look down upon others is all that matters. The better car, home, big screen TV, sound system, high speed computer, lavish, luxury, entertainment, fun, foul, tingles, travel, leisure time, money, cash, coin, sex, indulgence, lust, I must have, I must have, I must have so I can be perceived as good, better, best, because I am the worst, and know it. I am foul, depraved, profane, gluttonous, indulgent and drunk in anything that makes me feel good. I seek, knock, ask and cry out to God for my fleshly, worldly desires, things, health, riches and honor – but care not for my Lord – only his gifts, blessings, presents, wealth, but want it with no strings attached that create any responsibility for me.

A far cry from, Luke 9:23 ²³And HE was saying to them all, "**IF** anyone wishes to come after Me, he must deny himself, and take up his cross daily (kill all self desire every day) and follow ME."

God's sweet Spirit keeps calling me, prompting me to come to HIM. To serve HIM. To love HIM. To do what I was created for. I deeply want to be God's man or woman, to do what HE has put me here to do, to glorify HIM, but dust I am and to dust I shall return and dirt seems to be all I want. Dirt is what I am drawn to. Foul is the fragrance I love. Pride is the feeling I crave. We all want to be king or queen, because the king or queen can have anything they want and no one would dare say anything about it. The dirt of Kings and Queens is OK. It is everyone else's dirt that is sinful. **NO** – King and Queen is still somehow not quite enough. We want to be God! (Like Satan did and still does.)

Anything that pleases us, that makes our dirt, feel good or better than everyone else's dirt, is OK for almighty me. Sex, food, drink and pride

is the reason I live. Eyes like advanced radar to seek and find the next target of my cravings. TV remote or mouse in hand, when alone, I find the dirt I love and wallow in it. It has a hold on me and it strangles me. I seek it, I eat it, I drink it, I treasure, hide and protect it, even if it is nothing more than to waste - through silliness - the precious time that God has given me to serve HIM.

NO – not me you say! I don't do such things. Compare yourself with Scripture and what God has to say about the human heart and it will become clear. **Galatians 5:16-26 How do you rate there?**

Yes – dirt we are and without God's spirit in us through Jesus Christ, we are lost, a foul stench, a blight in the sight of our Lord, that needs to be burned and removed to sanitize HIS creation. (Remember – the next time God destroys the world it will be through fire.) And even if we do have the Lord, if HE is not free to reign in us and through us, we are as worthless to HIS plan as any unbeliever (the heathen).

We all have this beast in us. Jeremiah 17:9 **The heart is deceitful above all things, and it is exceedingly perverse and corrupt and severely, mortally sick! Who can know it [perceive, understand, be acquainted with his own heart and mind]?**

If we love the beast, we hate God. God requires that we cry out to HIM to kill the beast within us. Instead, we cry out to God to give us the very things we crave to feed, strengthen and pamper the beast. God alone can kill this beast, but only if we present it to HIM, through our own willing crucifixion of self, and turn ourselves completely over to HIS will and then - obey. We must hate the beast and place it on the altar of sacrifice to be truly free to love God and carry out HIS purpose.

I learned in a high school business class in 1965 that it is - Needs, Wants and Desires that are the 3 basic categories of practical life that

we must deal with as people. First - you work to meet your needs (food, housing, clothing, transportation, etc), and if you have any money left over you can consider putting some of it into your wants (let's say a TV). Then, maybe, just maybe, if there is ever enough left over, you can have one or two of your desires as well (maybe a color TV instead of black and white, steak instead of tuna casserole).

In our current culture, Americans simply skip over all the basics and go straight to cravings, which wasn't even on the list.

"We shouldn't have to work for the basics," we now believe. "That is mundane, normal stuff that we all deserve to live. I work for my fun!"

Americans must have all the latest gadgets, frills, luxuries and personal pleasures, (you know what they are, those things God has been trying to work out of you to get you to spend time with HIM) Our pleasures and pride are a must, even if we have to go without some necessities or go into debt to get them.

Credit cards, birth control, abortion, the internet and advanced acid reducers have allowed us to live out all of our foul cravings, deepest darkest fantasies and force feed our stomachs to obesity without even getting heartburn. Our body screams for satisfaction – we leap up and follow – no matter where it leads us. We absolutely must please the flesh and be a part of the proud, worldly order of things, to have a high position that is respected by the other FWAC's (Fleshly Worldly American Christians) or anyone of the world.

We must look important and together. "Important and Together" comes from our outward appearance, what we have and how high a level of indulgence we can attain - not the condition of our spirit or soul. We have been reduced to fighting for pecking order, to show the world who is the strongest, highest, best - in a pack of wolves. In 2010, our world has reverted back to a caveman societal model of

life. Club them over the head and take what you want. Even lie, cheat and steal to get it.

We have already been turned over to the devourer through our nation's leaders. Why? Because we listen to nothing our God has to say, we refuse to be changed by anything, and like many rebellious countries and nations of Biblical history, **we too** will either choose to change our ways to God's ways, of our own free will, right now, or God will turn us over to a merciless heathen leadership that will force us to change by bowing to them instead of bowing to our own pride, dreams, cravings, pleasure and godhood. And God will laugh at our calamity. **The foundation and framework is already in place, but we see it not.**

The American Way used to be – that no matter what our intelligence level, gifts or handicaps, we would always figure out a way to get things done or a problem solved. We would turn to God and HE would show us a way. We would learn, look, seek, ask, and find some way to legally, (without hurting someone else) - we would find a new, clever, unique, exciting, way to meet our own needs while meeting a need, or solving a problem for someone else.

Today, we kill our own unborn baby to cover up our sexual misconduct and/or avoid the inconvenience of raising a child. We hire a political thug to steal from the productive to give it us. We lose a job and go on unemployment, taking from others who are still working, while we sit around for months, enjoying our leisure time because we deserve the time off. Most people on unemployment are not even looking for a job until the benefits run out, or they push the government to extend the benefits so they can rest and play some more. We have turned into a land of lazy, gluttonous, self centered waste, looking for someone else to do the hard work so we can relax.

That is why a government check is even deemed posh today. When you get a government check you have no responsibility and

nothing but time to indulge yourself every minute of the day, at someone else's expense.

We (meaning the welfare government check bunch, whether they claim to be Christian or not) are the new Royalty. The kings and queens who live off the backs of the taxpayer without contributing a penny. Stolen money is sweet, and yes, we ride in pride above the working class, who sweat and toil **for us**. We laugh at the struggle every rush hour watching the working class fight the traffic, slaving away at 2 or 3 jobs, as we sip our wine and kick back, watching our flat screen TV, in air conditioned comfort, eating the food the peasants produce for us - and **they** are paying for it all. Even doctors and lawyers have to give sway to us when we are sick or in trouble. **And it is all FREE! Paid for by the people who produce all we are given!**

Yes we, the government check bunch, live on top of the world - - - until our soul rots, we die mentally, emotionally, spiritually and physically - and all we can think to do is go back to the mob boss politician to have him steal more money from others to give to us - because there is nothing else in life for us except the anticipation of having a little more money so we can go buy something new to make us happy.

And our society, strength, political systems and country decays beyond recognition.

And to you wealthy FWAC. There are no wealthy Christians. 2 Cor 8:10-15. God requires equality. They that gathered much didn't have too much and he who gathered little did not have to little. Look at Jesus. He was your perfect example of a Pastor and Christian leader. What did HE have? Only the love for his Father that led HIM to be broken bread and poured out wine for us. Worldly things he had none and neither did the early Apostles and Disciples.

If you are following a rich, powerful, preacher seeking to be a rich, powerful Christian your-

self, you have your eyes on the god of this world, not the God of Abraham, Isaac and Jacob. Not the God of Jesus Christ. God's purpose for wealth is giving to those in need, not hoarding for self comfort and glory.

If you are in a glitzy, comfortable, worldly acceptable church and always come away from it lifted up - God is probably not there.

Where Christ is, there is Holiness. When Holiness is there and Holiness is taught, there is discomfort for us. The light of Holiness always exposes the dirt of the human condition. It forces you to Jesus, because you know you need HIM, HIS help and forgiveness for your sin. You are made clean by HIS presence. You are made clean by the light. You are made clean by removing sin. Church must show us our errors, but in doing so, we turn to Christ, and HE changes us and lifts us up.

Now Hear This From The Lord

To you working American FWAC who work hard, to earn more, to reach your cravings, not to glorify ME. You are guilty and I am taking it away from you. Observe the signs of your times and REPENT now before it is too late.

Non-working, government check FWAC, you have turned from your God to a corrupt government for your worldly needs when you should be working to support yourself or going to your church for help - not the world. If a man shall not work, he shall not eat! You are on the receiving end of stolen goods because of your pride, laziness and hatred of those who have, while you have not. You are cursed for it. Observe the signs of your times and REPENT now before it is too late.

James 4:2-4

²You lust and do not have; so you commit murder. You are envious and cannot obtain; so you fight and quarrel. You do not have because you do not ask. ³You ask and do not receive, because you ask with wrong motives, so that you may spend it on your pleasures. ⁴You

adulteresses, do you not know that friendship with the world is hostility toward God? Therefore whoever wishes to be a friend of the world makes himself an enemy of God.

Husbands, you do not love your wives as Christ loved the Church. You do not treat her with the love, patience, gentleness and the respect I require from you. You do not cherish her as your most precious gift. Seek out and learn your role, your purpose in marriage and carry it out as I require. Your wife's relationship with you will reflect your relationship with ME. As you worship ME, as you submit to ME and obey MY laws and instructions - and the personal direction in which I lead you - and you lead your wife and family in obedience to ME and MY love, you will see peace, love, joy, provision, and power in your lives. **Your nation** is merely a reflection of the state of your walk with me, your marriage and your family. As you live as a man, husband and father - so goes your neighborhood, city, state and your nation.

Wives, you do not respect, obey and serve your husband in the same way you are to respect Christ. Every time you berate, cut down, gossip about, scream at and curse your husband, you curse ME. Your husband is your leader, your chain of authority directly from ME. An office given to him by ME. You must subject yourself to your husband. Your children (and all around you) learn respect for authority by watching you submit to your authority. If you do not submit to him, you have no authority, because all authority comes through ME and my chain of authority. What I want from you is a gentle and quiet spirit and submission, which you attain by spending much time with ME. Not the arrogant, quick mouthed, sharp tongued, independent, hardened woman of today. As you obey and serve your authority, you obey and serve ME. As you live as a woman, wife and mother - so goes your neighborhood, city, state and your nation.

And all Americans. Entertainment and sports are not life. They are meaningless. Throw out your TV's and any other form of media that leads you in direct opposition to MY principles and takes your time away from ME.

You watch, listen to and participate in many things that I hate. Hollywood supports and trains you and your children in the art of living as self centered devils. Mega churches teach how you can have it all right now and they pack the pews. I teach - take up your cross daily, crucify your flesh, follow ME, give, the highest among you is the servant, be broken bread and poured out wine for others - and no one comes.

You give only to receive back from ME for yourself, not to glorify ME. You praise ME in song at your concerts in church, to win my favor for your own benefit, to put yourself on a higher pedestal - not to worship me - I, the one who has created you for MY purpose. Your prayers are no more than a cry to fulfill your own cravings and pride.

You say you love ME, then you go and vote for a government who kills my babies, that I have created. **You kill your own children - my most magnificent creation in MY own image, and your greatest gift from ME.** You murder your own flesh and blood, the continuation of your family line, your legacy!! Then call on me to bless you with mere things and money. You put in place a government who steals from those I have chosen to bless financially. You do it so the political thugs will give the stolen money to you. You are an accomplice, a thief, who has been paid for your vote, to keep the money flowing to you - and the mob bosses in power. You have sold your soul and sold out your own country for your own pride and comfort. Those who lead you to do these things are not from ME. When did you put down your Bible, the truth, and turn to a lie for your own benefit, comfort and safety, no longer trusting in ME to meet your needs?

In a democracy, the government is a direct reflection of the nature of its people. You vote in those who will give you what you want. I have turned you over to your own ways. I have given you what you wanted. You are on your own. You are in control. You shall receive the just harvest of the seeds you have sown.

You have no desire to do things MY way. I have been patient long enough, waiting for you to come back to ME, but you will not. So, I have given you leaders who will do it your way. But they will take full advantage of your selfishness.

You have become a nation of **White-Eyes**. People so completely self centered the pupils of your eyes are always turned around in their sockets, looking inward. When others look at your face, all they can see is the whites of your eyes. All you can see is yourself.

White-Eyes instantly recognize each other and stand together, and the politicians, like a swarm of starving vultures can pick out White-Eyes to prey on. All they have to do is promise the White-Eyes something for nothing and they have their vote instantly, whether that promise is ever kept or not. The crooked politicians are all White-Eyes too.

White-Eyes thinking has nothing to do with ME.

These politicians will take full advantage of you to hold power and wealth of their own. Their heart is not with you, just as your heart is not with me. Their heart is for themselves as your heart is for yourself. They will take from you, use you and abuse you as you have taken from ME, used and abused ME. You will not get what you want from them as I have not gotten what I want from you. You are reaping what you have sowed. You are on your own. Observe the signs of your times and REPENT, stop doing wrong and do right, my way, now before it is too late. Cry out to ME. **I am still here for you.** But you must repent and turn again to ME. And – you must do it now.

So you know that it is not by chance – it is I who has placed this government in your country. Remember, I hold the heart of the King in MY hand. It is I who set up nations and kingdoms and tear them down. It is I who have placed in motion the order of the destruction of your foul nation. It is I who have put in power those who believe that right is wrong and wrong is right - for you love to listen to their lies, and you will have them in control of you as long as you will not listen to ME and obey.

They lie to you to make you think you are justified, right and true in standing with them, even though all they say is in direct opposition to everything I stand for. They tingle your ears to please you so you will keep them in power.

It is I who will be the source of the destruction of this country because you have walked away from ME, the one who created this nation through God fearing men and women who loved ME and worshiped ME. Those who sought MY council and followed MY ways, not their own ways. That saw their lives as service to ME, not to the pleasures of their own flesh and the pride of their own heart.

Repent. Turn from your wicked ways. Clean up yourself first. Then, clean out your nation of all leadership that worships sin, indulgence, tolerance or other gods. Tolerance is just another word for letting others, who are disobedient to ME - bring sin and other gods into your culture and life. Those who love what I hate and put everything above ME.

I hate sin but love the sinner. I hate sodomy. I destroyed the city of Sodom, the namesake for the sin, for its wicked ways. Stop it. Do not support it. Teach those who do it to turn from their wicked ways.

I hate adultery and fornication. Any sexual activity outside of marriage. Stop it. Do not support it. Teach those who do it to turn from their wicked ways.

I hate abortion. It is murder. And your government even supports it here and in other countries! Stop it. Tell Americans to turn from their wicked ways.

I hate welfare. If a man will not work he will not eat. Stop it. Give it back to the man who earned it. The hunger of the man who cannot eat will motivate him to work. A free check motivates him to be a walk away from life, destroying his spirit, soul and mind.

I hate governments that tax only the successful, stealing uneven percentages of money from one to give to another. Look at MY tithe. I took 10% from everyone, rich or poor. All are expected to work, except those who cannot – not will not. Each man and woman must participate and contribute taxes to their government or they will not hold any value for their country, because they had no part in building it. We love and care for what we own, and each person, paying our part for it, gives each of us ownership and pride in the country we help to build. If we receive our income by taking from others, who are being forced to give up their income for us, **WE** are guilty of being thieves, with a felony upon our heart and soul. If you do not pay for this country, you have no right to vote for the leadership of this country. You have invested nothing and deserve no rights. Take away the vote from those who pay no taxes or take a welfare check until they begin to participate once again.

I hate those who live and vote their race or skin color. I have created all men equal. Putting your race first makes you an enemy of all other races. Forget about your race and cultural traditions. They have nothing to do with you. As a Christian, you don't need to know who your ancestors were or what they did. You are in a new family now. The family of God. You only have to know who you are in ME. The old things keep you from moving ahead with ME. Old things are passed away. All things are made new in Jesus Christ. Live in the culture of

the Kingdom of Heaven and become a productive, beneficial part of the culture I have put you in on this earth.

There is no such thing as women pastors, preachers, leaders or teachers in the church. Men are church leaders. Men only. Leave the role that was never intended for you. Women are to be silent in the church. Those who are and follow women preachers and teachers are in error. I do not honor such error. It is not MY way. Stop it. Do not support it. Teach those who do it to turn from their wicked ways.

All that matters is today - even now as you read this - and how you live this day with ME and for ME. Live in the moment with ME. Follow ME everywhere I lead, for I will lead you in the right path to the right place, for each and every decision that must be made, large or small.

Love everyone, all races, for I have made them all. Your race is no better or worse. You are all the same. Love all the same as I do and work together in unity in the Lord, love and peace and watch me change you and the world around you - through you. Or - continue fighting and be destroyed.

Love the brethren and do not forsake the gathering of the brethren. Who are the brethren? Those who, believe, live by, and are obedient to the things in MY Word and what I tell them to do. Obedience! Few are the brethren. Fewer every day. Find real brethren, that live by obedience and display the gifts of the Spirit (Galatians 5) gather with them. It is not easy today, but if you truly seek, and ask ME for it, I shall lead you to it.

Each man and woman is accountable to ME alone for his own life, behavior and his accomplishment. Stop gathering together in groups, based on worldly desires, sex or race, to justify your shortcomings and to take from and hold advantage and power over people of other desires, sex or races.

Come to ME with your requests when things fall short. I will tell you if it is a worthy request or it is out of line. It is you and ME. I tell you what to do. Follow and stand with ME alone and you will find your peace, joy and perfect way. What do you have to do with ME if you live and vote in people who have ignore and fight all that I stand for. Walk away from special interest groups and vote only for those who follow ME and your nation will be saved.

Let the heathen hate and divide. You, Christian, are to be unified in ME. To love and treat all as more important than yourself, no matter what race they are.

Muslims are here to kill you. Trust them not. All who hate ME are your enemy. Pray for them.

There are many other things that can be found in MY written Word, the Holy Bible, that you must know and follow. Be a serious student of it. You will find life there.

There is no god before ME. I am the way, the truth and the life. No one comes to the Father but through ME (Jesus Christ). **ALL OTHER RELIGIONS, PHILOSOPHIES, AND LIFESTYLES ARE FALSE - AND WILL DESTROY YOU! Jesus Christ ALONE Is Lord.**

I gave you a free country from which you can live for ME and worship ME in peace. I did it in answer to the prayers of those who founded this nation, and I blessed it above all other nations because Americans remembered and worshiped ME.

But you, the decedents of these same founders - and foreigners who have come here for the blessings – you refuse to do what I command to strengthen the very country that gives these blessings to you. It is you who have grown cold, careless and are too busy playing and pleasing yourself to be even slightly concerned that your nation is being destroyed from within. You are the cause.

An orphanage is a place that takes in homeless children without parents or support. In a depleted land, there are often so many orphans running wild, unclothed, unfed, sick and dieing that there is only one bed in an orphanage for every 50 orphans in the streets. No matter how much the orphanage director wants to take them all in, he cannot. If he does, they all die.

America has already reached the point where the orphanage is full. Shut your borders and control the flow once again or you will surely all be poor, homeless and starving. But if you don't follow ME, the borders will collapse and you shall be overrun.

You who take your children to movies, concerts and sports as life examples. Everything they see and hear is instruction on how they are to live. You who place them in front of every foul thing this culture has created that I hate. You raise them by psychology and hero worship of celebrities instead of the worship of ME. You ignore teaching them about ME and MY ways. You do not teach them of ME by example or by instruction. Instead, you, by example, teach them all about the world and how to fit in. You have destroyed your children, your family and your country's future by raising heathen children (who call themselves Christians) whose only desire is to please themselves, disrespect all authority, and find a position high enough, or to be rich enough so they can be in complete control of every aspect of their life without hindrance from ME.

No one, in this country thinks they need ME. All needs are met. Life is comfortable, sweet and filled with your own pleasures. That will change when I pull back MY hand of protection and blessing. The devourer is already at the door, turning the key that I have placed in his hand.

You do not live under the old covenant where I had the armies go take and destroy other peoples who were not mine, to give blessings to my people.

You live under the new covenant. The covenant of Jesus Christ. Your battles are won or lost in prayer, worship and obedience to ME. If you come to ME, diligently, humbly, and seek those things that are approved of by ME, you will have them and be blessed. Your prayers heard and answered **IF** you are part of MY family.

Have you accepted the sacrifice of Jesus Christ, MY Son, as your only payment for sin? If not, you are not even a member of MY family. Instead, you have rejected Christ and are an enemy to all that I am. If Christ is your Lord, you are a member of MY family. Get to know your family by reading my Word, the Holy Bible, and coming to ME often, many times a day and speak to ME, listen for MY voice, and obey.

Obedience to ME and MY ways is the secret to life. It is what I created you for. Do as I command and your life, your family and your country will be restored. Trust in ME. Do Not Wait. Do It Now While You Have Time To Turn The Tide Of Destruction That Is Already In Process. **Only I Can Stop It.** You Must Repent And Turn To Me Now!

I have had MY fill of America's rebellion. MY blessed USA has turned from ME to worship other gods, to worship self and I have had enough. REPENT or lose all you have. Change your ways, your family, your thoughts and your desires. Make your desire for ME and ME alone and you will be saved.

Turn from your wicked ways and I will make you MINE. I will lift you up again in the palm of MY hand to protect, provide and bless you with MY joy. But it must be MY way, not your way. Seek ME and I will be found. Follow ME, not the prosperity teachers who tease your ears, hearts and souls with ways to meet your highest goals as a FWAC. You must worship ME in spirit and in truth. You must be MINE.

I, the writer of this message - am Jonah. America has become Nineveh who is about to be destroyed. I have run from God. I have been

the FWAC. HE has caught me to declare to this nation, this people and to me – **REPENT AND LIVE –or- REBEL AND DIE. IT IS YOUR CHOICE.**

2 Chronicles 7:12-32

22 Then the LORD appeared to Solomon at night and said to him, "I have heard your prayer and have chosen this place for Myself as a house of sacrifice.

23 "If I shut up the heavens so that there is no rain, or if I command the locust to devour the land, or if I send pestilence among My people, 24 and **(IF)** My people who are called by My name (Jews back then, Christians now) **humble themselves** and **pray** and **seek My face** and **turn from their wicked ways, then I will hear from heaven, will forgive their sin** and **will heal their land.**

25 "Now My eyes will be open and My ears attentive to the prayer offered in this place.

26 "For now I have chosen and consecrated this house that My name may be there forever, and My eyes and My heart will be there perpetually.

27 "As for you, if you walk before Me as your father David walked, even to do according to all that I have commanded you, and will keep My statutes and My ordinances,

28 then I will establish your royal throne as I covenanted with your father David, saying, 'You shall not lack a man to be ruler in Israel.'

29 **"But if you turn away and forsake My statutes and My commandments which I have set before you, and go and serve other gods and worship them,**

30 **then I will uproot you from My land which I have given you, and this house which I have consecrated for My name I will cast out of My sight and I will make it a proverb and a byword among all peoples.**

31 "As for this house, which was exalted, everyone who passes by it will be astonished and say, '**Why has the LORD done thus to this land** and to this house?'

32 "And they will say, '**Because they forsook the LORD, the God of their fathers who brought them from the land of Egypt, and**

they adopted other gods and worshiped them and served them; therefore He has brought all this adversity on them."

In this scripture, God gives a warning of what will happen to Israel and HIS own Temple, **IF** they do not follow HIM and HIS ways.

IF is the most powerful word in the Bible. HE tells us **IF** we follow HIM and HIS ways, we will be blessed. **IF** we follow our own ways, we will be cursed. But it is not all for and about us. HE wants to use us for HIS purpose, HIS ministry, HIS glory in this earth. To live the full Christian life we must find our life in HIM and obey and serve HIM through obedience to what HE tells us to do every day. That is HIS plan for us.

Will God take out America? You bet HE will **IF** we don't change toward HIM. History shows us that HE did take out Israel and destroyed even HIS own Temple. **IF** HE did that to HIS own, Chosen People, HE will do it to us as well, for we have chosen not to be HIS people by not living HIS way. By not being obedient.

Father God destroyed HIS own Temple once Jesus had died. There was no longer the need for a Temple of sacrifice. Jesus was the one and only sacrifice. The last and final sacrifice to appease God for all our sin.

Today, we who have received Jesus' sacrifice for our sin – we are the Temple of the Holy Spirit. It is time that we start living like a Holy Temple of God, and allow him, through our sacrifice of self, by getting out of HIS way, that we allow HIM to serve, love and work HIS power through us for HIS glory and honor. This is the whole purpose of man.

OBEY OR DIE. Die spiritually, mentally, emotionally, financially and possibly even physically. Obey now and watch our country be restored and blessed again. Or, continue to stand in your own filth and watch your beloved country crumble around us all. Your choice. What will you do?

No person, group or government can save us once God has chosen to tear it down. HE has given us one last chance. Only HE can put HIS hand of blessing upon us once again and that will come with the obedience of HIS children. And- it won't take that many of us to make the change. Will you be one?

Remember God was willing to save Sodom if HE could find only 10 righteous people left there. He could find only 4, and they had to run for their lives. God wants righteous people, who love and worship HIM.

YOU reading this – right now – will you be one of the 10 who is willing to sacrifice your life for God. Willing to sacrifice your life to save this nation. Be one of the 10, the 10 hundred, the 10 thousand or the 10 million RIGHTEOUS that God requires to keep HIS hand from destroying our beloved country. Will you be one of HIS chosen willing to turn from your wicked ways, the one who turns back to God and saves our land.

GO TO HIM RIGHT NOW AND ASK FORGIVENESS FOR YOUR SIN AND REBELLION. REPENT AND ASK HIM TO RESTORE YOU, LOVE YOU AND MAKE YOU HIS VERY OWN AND TO SAVE THIS COUNTRY.

Abba Father. Help me Lord to be YOURS. I give myself up to YOU, for YOUR purposes, YOUR glory and honor. Change me Lord, that YOU might change the world through me.
